# AgroBac™ *PURE* FOAM Wash

Perfume-Free & Dye-Free Antimicrobial Foam Hand Soap for Food Handling

# AgroBac™ *PURE* FOAM Wash

## Perfume-Free & Dye-Free Antimicrobial Foam Hand Soap for Food Handling

Hand hygiene is crucial in every step of the journey from process to plate. SC Johnson Professional is proud to offer a antimicrobial hand wash specifically designed for food processing and food service industries. Our perfume-free and dye-free formulation is **NSF E2** rated and uses Benzalkonium Chloride as an effective antimicrobial agent.

AgroBac™ *PURE* FOAM Wash is compatible with manual and TouchFREE dispensers.
